

## *Waikanae Health Centre*

assists in the training of future doctors in  
partnership with the

*School of Medicine & Health Sciences*  
*University of Otago - Wellington*

Fourth and final year medical students will occasionally be placed at this practice.

We will ask your consent for a student to be involved in your consultation.

Please advise us if you do not want the student to be present; your wishes will be respected.

Department of Primary Health Care & General Practice
